PROFESSIONAL EXPERIENCE

Freelance React Developer

RENT UP | 09/2023 - 11/2023

- Developed the user interface for the RENT UP platform, focusing on creating an intuitive and visually appealing user experience.
- Collaborated with the design team to translate mockups into interactive and functional components.
- Worked independently to meet project deadlines and deliver a polished UI for the RENT UP application.

Full Stack Development Intern

Tripo Saints | 03/2023 - 06/2023

- Developed and improved web pages (welcome, hotels, hostel, questions match make) and an admin panel.
- Collaborated effectively with cross-functional teams to deliver high-quality web solutions.
- Expanded responsibilities to mobile development using Flutter for Android and iOS optimization, ensuring consistency in user experience.

Full Stack Development Intern

Winsple | 12/2022 - 01/2023

- Developed and maintained websites with React.js.
- Collaborated with developers and designers for consistent design and functionality.

Full Stack Development Intern

Edureka | 01/2022 - 08/2022

- Proficient in multiple programming languages, including both basic and advanced levels.
- Demonstrated expertise in building a M.E.R.N stack website, highlighting proficiency in MongoDB, Express.js, React, and Node.js technologies during my time at Edureka.
